

ShopEase Nepal

Return Policy

Effective date: October 1, 2026

This policy explains when customers may return products purchased from ShopEase Nepal and the conditions that apply to a return request.

1. Return Eligibility

Customers may request a return within 7 calendar days after the order is delivered.

The product must be unused, in resalable condition, and returned with original packaging, labels, accessories, manuals, and promotional items.

A return request is normally accepted for wrong item delivered, defective item, damaged item reported within the required period, or a product that materially differs from its listing.

Change-of-mind returns are accepted only for eligible products. Shipping charges paid for the original order are not refundable for a change-of-mind return.

2. Items That Cannot Be Returned

- Personalized or customized products.
- Perishable food, flowers, and other products with a limited shelf life.
- Hygiene-sensitive products that have been opened or used.
- Digital products after download or activation.
- Products marked 'Final Sale' on the product page.
- Gift cards and promotional vouchers.

3. How to Request a Return

Customers should contact support with the order number, product name, reason for return, and photographs when the item is damaged, defective, or incorrect.

ShopEase will review the request and, when approved, provide return instructions. Customers should not send a product to an address obtained from an unrelated source.

Approved returns should normally be shipped within 5 calendar days after return authorization.

4. Return Inspection

Returned products are inspected after receipt. If the product is used, incomplete, physically altered, or damaged because of customer handling, ShopEase may reject the return or reduce the refund according to the loss in value.

For a wrong or defective item, ShopEase may arrange a replacement or refund after verification.

5. Return Shipping Costs

For wrong, damaged, or defective products confirmed by ShopEase, reasonable return shipping costs are covered by ShopEase.

For an eligible change-of-mind return, the customer is responsible for return shipping unless a promotion explicitly states otherwise.

6. Refund Timing

Once the returned product passes inspection, the refund is normally initiated within 3 business days. The time required for the payment provider or bank to credit the amount may vary.
